May 24, 2011

We are excited to announce that our Spring Auction 2011 raised **\$45,000.00** for our parish!

We would like to thank all those who participated planning the event and to those who attended. This is a great way to support our church and school. The evening started with classical music provided by Suzuki Strings followed by our fun bidding at the silent and live auction! The hit of the evening was our support and attendance from our very own Jacksonville's Jaguar football head coach, Jack Del Rio.

The auction committee had a wonderful time and appreciates all the donations made to our event. Without the support of our Event Sponsors or donors we would not be able to have such a great success. Please support our Event Sponsors. We have provided links to their businesses for your convenience.

Aimee and I would like to personally thank you for supporting us in this endeavor. We are happy to announce that we have two wonderful ladies taking on this project. Our new Co Chairs for the next two years are Danielle Anderson and Jennifer Swain!!

Please continue to support this great event annually. You can join the Spring Auction Committee to help coordinate the event, donate items for the silent and live auction portions or become an Event Sponsor.

To get a glimpse of the evening we have posted pictures from the past several years and we have this year's program online.

Thank you San Juan Del Rio Parish!!

Victoria Miller and Aimee Miles
