

Catholic Family Fellowship Invites Serving & Helping (F.I.S.H.)

FALL BOOK SHARING “A WELL-BUILT FAITH-A Catholic’s Guide to Knowing & Sharing What We Believe” by Joe Paprocki

Tools and foundations! Does it sound like a ‘work-project’? Well, as Catholics trying to live our faith, serve God’s people, and share in the fullness of gospel values, the challenge is to experience the process of catechesis in a life-giving and nurturing atmosphere! It can help you become equipped with the ‘right tools and a firm foundation of living out your baptism’. So, how do we live out the Christian life, remain faithful to the Lord, equip ourselves for good works, or simply build a ‘firm-foundation’? Come! Experience sharing with other mothers the true excitement of challenging yourself in the faith and encounter others in the same struggles. God’s grace is there for the asking. Build on the virtues now and join this thought-provoking book study.
