San Juan del Rio Catholic Church

**Catholic Family Fellowship Invites Serving & Helping** The logo of the fish symbolizes the family's call to evangelize. The fish is the sign for Christianity. It holds the family within it. The color red of the heart is that of Jesus' redemptive precious blood shed for our salvation. The color blue that surrounds it recognizes the covering of Our Lady. The white within it speaks of the grace that God gives freely to His people. The word itself is black signifying the need to deny self and to live for Christ. The family that is held inside the Sacred Heart is modeled after the Holy Family and viewed as the hope for all mankind signifying the hope for God's Divine Will in family life. All for the purpose of portraying the sacredness and the celebration of life for the greater glory of God.

**Ad Majorem Dei Gloriam!**
