

Since early 2006, San Juan Del Rio Parish Community has responded to the Lord's call to "Build My Church" by examining your Dream and Vision of our future. Our new Church is a shining example of where our collective Dream and Vision for San Juan Del Rio Parish can lead. Our pastor and many parishioners have worked very hard to gather the willing commitment of time, talent and treasure from our entire Catholic Family.

*"We cordially invite you to participate in the Dream and Vision of our parish future."  
Michael Boylan, Chairman Parish Advancement Committee.*
