

WELCOME!

**From: Catholic Family Fellowship Invites Serving & Helping Ministry (CF FISH Ministry) Team.**

The F.I.S.H. logo symbolizes the family's call to evangelize. The fish is the sign for Christianity. It holds the family within. The red within the heart is that of Jesus' redemptive precious blood shed for our salvation. The color blue that surrounds it recognizes the covering of Our Lady. The white within it speaks of the grace that God gives freely to His people. The word itself is black signifying the need to deny self and to live for Christ. The family that is held inside the Sacred Heart is modeled after the Holy Family and viewed as the hope for all mankind signifying the hope for God's Divine Will in family life. All for the purpose of portraying the sacredness and the celebration of life for the glory of God. Ad Majorem Dei Gloriam!

**CORE Team**

(Communicating Open Responsible Evangelization)

This year Catholic Family Fellowship Invites Serving & Helping Ministry will begin with the Orientation and get acquainted coffee in the Administration Building on September 9, 2009. Fellowship, practical application of living the Catholic faith and a sense of renewed spirituality are all integral parts of this Ministry. The First Fruits Nursery will be available in the Main Church Cry room and the Study Session will be in the Chapel. We, also, encourage you to participate in the Mothers' Night Out, Family Night Out, and the social bi-annual social Gatherings as displayed in the Quarterly Newsletter. Also available at the church for your spiritual growth every First Friday of each month is Mass, Pro Life Scriptural rosary, Exposition of the Eucharist, Holy Hour, and closing Benediction. Take advantage of this wonderful church tradition and let your family be aided in the growth of their Catholic faith while evangelizing in your own family.

If this is your first time, please get a welcome folder from Teresa Stokes.

The Bible Study Schedule for the **"A Well-Built Faith"** will be distributed at our first session, September 16th.

For those of you with children, there are two parts of the children's ministry.

1. *Playday* A day for you and your child/children/grandchildren to enjoy each other in the company of other women. (Information in the Quarterly Newsletter).
2. *First Fruits Nursery... Friday/Sunday Morning Nursery* to serve the families with children by allowing the women time to participate and grow in the designated spiritual gatherings or Mass, while their children are cared for in a loving and supervised setting.

The **Quarterly Newsletter** is available with all listed activities. It is placed in the church foyer, Administration building, and the school office and will be directly e-mailed to those signed up.

With your support, this Ministry will be an aid to you and will help you to grow in your faith and love of church here within our parish family at San Juan del Rio. **Pray for us as we serve you this year as we promise to pray for you and your family!**  
BE BLESSED!

THE C.O.R.E. TEAM
