

San Juan Del Rio's 2nd annual Live and Silent
Auction presents

Wine Roulette

Everyone's a winner!

For \$20 you win a bottle of wine ranging in price from \$20 to \$200. Just pick a bag containing a mystery bottle of wine to see what you've won. You won't know how much it's worth until you open it!

We are looking for vendors or private donors who can provide us with bottles of wine that have a value of \$20 or more.

As a donor your name will be listed on our website and in our auction program.

Last year we had over 300 attendees and raised \$30,000 for our parish. Please help us make this year's auction an even bigger success!

Contact Aimee Miles at jandaim@bellsouth.net or 654-6995 for questions or donations.
